brake, clutch & suspension

**STEERING &
SUSPENSION PARTS**

Where **Reliability**
and **Durability** meets

VETTO'S GLOBAL PRESENCE

ABOUT VETTO

Engineered Confidence

VETTO describes our vision for the future. Today we are extending our vision across to our users. Vetto delivers high functionality products for all uses.

With comfort and safety in mind, **Vetto Brakes** are precisely machined to create an elegant braking effect.

Vetto Racing Products are made with the most durable metals developed for excellent control of speed.

Vetto Hydraulic Cylinders are developed for prolonged durability to ensure fluidity in the closed system.

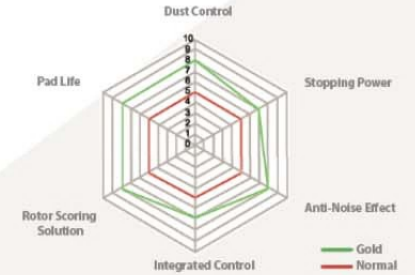

Vetto Clutches are manufactured under stringent OE standards to maintain good connectivity.

Vetto Suspensions deliver significant gains in vehicle balance, steering precision, grip levels and outright driving performance.

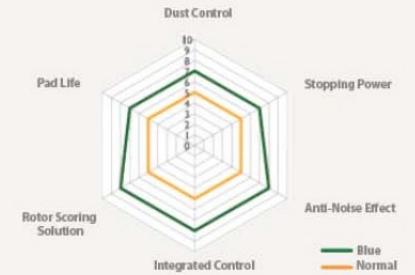

BRAKE PADS

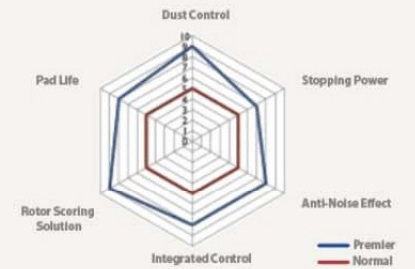

Vetto Gold | effective functional

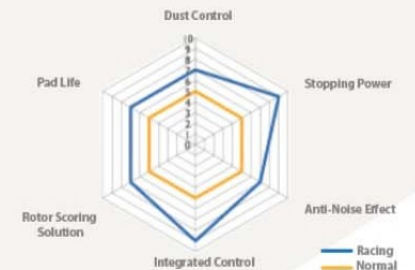

Vetto Blue | smooth comfortable

Vetto Premier | robust performance

Vetto Racing | absolute control over speed
